

Kernels and Timber Rattlers cancelled

Written by Metro Sports Report
Wednesday, 17 April 2013 14:37 -

Wednesday's game between the Cedar Rapids Kernels and Wisconsin Timber Rattlers has been cancelled due to inclement weather.

The game will not be made up because the two teams do not play again in the first half of the 2013 Midwest League season.

The Kernels begin a six-game road trip Thursday with games at Peoria and Burlington. They return on Thursday, April 25 to open a six-game homestand against Great Lakes and Lansing.
