CHICAGO - Chicago Cubs outfielder Ryan Sweeney has been transferred to the 60-day Disabled List and is finished for the 2014 season, media outlets in Chicago have reported.

Sweeney had been on the 15-day DL with a hamstring injury.

Sweeney, 29, from Cedar Rapids, hit .251 with three home runs and 20 RBIs this season. This was his eighth year in the Major Leagues and he has one year remaining on a two-year contract he signed with the Cubs before the 2014 season.
