Marion High School graduate Kristin Kramer has agreed to play for the Fort Worth Pounce in the Women's Blue Chip Basketball League this May.

The Pounce, located in Texas, are described as a semi-professional basketball team, but the players apparently will not be paid next season as the club tries to get established.

Kramer graduated from Marion in 2011, where she was an all-state guard. She played one year of college basketball at Nebraska-Kearney during the 2014-15 season and plans to get her degree this spring.
