WATERLOO - Alex Slattery shared medalist honors with a 36 Thursday to help the Washington Warriors win a Mississippi Valley Conference quadrangular meet at the Irv Warren course in Waterloo, but the victory went much deeper than that.

Washington and Cedar Falls tied for first place with team scores of 148 for their top four golfers, which is the normal system for determining a high school meet. They went to the first tiebreaker, but the fifth-place golfer for both teams both shot 39s. Then they looked at the sixth-place finisher for both squads and declared Washington the winner on the basis of a 40 by Logan Bracey, compared to a 41 for Cedar Falls.

Frank Lindwall and Joe Slattery fired 37s for the Warriors. Connor Neighbors had a 38.
