Coe shortstop Craig Konrardy has been named a second team preseason All-American by D3baseball.com.

Konrardy, a senior from Waterloo, set school records last season for runs scored, hits, doubles, total bases and assists and was named an ABCA All-American.

Coe won a school-record 34 games last season and came within one victory of reaching the NCAA Division III College World Series.

The Kohawks are scheduled to open the 2016 campaign in Florida on March 6.
