The Iowa Women's Softball League is preparing for the 2019 campaign as the only summer college league in Iowa.

All current and former college softball players are eligible. This will be the third year for the IWSL and it has been greeted with open arms by the players, college coaches and softball community.

There will be four teams in the IWSL in the Eastern Division in Cedar Rapids this summer. All of the games will be played at the beautiful new field at Mount Mercy University.

The playing dates are June 2-9-16-23 and July 7-14-21-28 There are no games on June 30 for a mid-season vacation.

The player fee is \$100. The registration link appears with this article. Have a credit card handy to pay through PayPal. Scholarships are available with no paperwork. Just ask.

Unfortunately, the Central Division of the IWSL in Indianola has been canceled due to a lack of players. Everyone who registered for the Central Division has been invited to play in the Eastern Division.
