Caleb Stekl has transferred from Marion High School to Jefferson and will be eligible for the entire baseball season with the J-Hawks this year.

Stekl, a strong defensive catcher, hit .222 for Marion in 27 games last year as a sophomore and compiled an 0-2 record and 2.63 ERA in three appearances on the mound. He missed part of the season with an injury.

Stekl received honorable mention on the Wamac Conference all-star baseball team.

"Caleb is enrolled at Jefferson and will be eligible for the 2015 baseball season," Jefferson athletic director Chris Deam confirmed Sunday.

Stekl has moved into the Jefferson school district, according to sources. He has been attending the pitcher/catcher workouts with the J-Hawks.
