Rain Tuesday forced the postponement of the Marshalltown at West Des Moines Dowling Class 4A regional softball tournament game. It has been rescheduled for Wednesday at Dowling.

Cedar Rapids Jefferson was scheduled to play the winner of the Marshalltown-Dowling game Wednesday at Marshalltown in the regional final, but that game has been pushed back to Thursday at Marshalltown.

The seven other Class 4A regional finals are scheduled to be played Wednesday.

The Class 4A state tournament starts July 19 at Fort Dodge.
